Wh- questions are mainly used to gather information about the topic. Commonly asked five Wh- questions are why, when, where, what, and how. Mostly in written content, the questions are asked in mind and only the response of these questions is discussed. Given below is an in-depth explanation of all these five questions along with their example

Using Question Words Worksheets

In each inference worksheet students are asked to do two things: answer questions where the solutions can only be provided by making logical inferences, and explain how they got their answers. Having students explain their answers helps to slow them down and cause them think about what they are doing, and open-ended questions make it easier for the teacher to identify when students are copying.
