International Business: Competing in the Global Marketplace by. Charles W.L. Hill. 3.75 · Rating details · 362 ratings · 19 reviews One way to compare International Business texts are to classify them as either descriptive or analytical.

International Business: Competing in the Global Marketplace

International business also increases competition in domestic markets and introduces new opportunities to foreign markets. Global competition encourages companies to become more innovative and efficient in their use of resources. For consumers, international business introduces them to a variety of goods and services.

International Business: Competing in the Global Marketplace

In short, international competition is the driving force behind the globalization of production and markets. International trade in the 1990s has been dominated by the United States, Japan, and the European Union (EU). Together they generate 80 percent of all world trade and account for 65 percent of all foreign direct investment.
