Answers To Platoweb Geometry Semester 1

In some instances, a module may be represented in the posttest, but not in the pretest or end of semester test. Typically, the end of semester test does not cover all the modules that are covered by the pretests and posttests; this is by design, to keep the test to a reasonable length. When creating a custom resource from an existing PLATO course, removing modules will adjust dynamically by removing questions related to the removed modules.
