History Of Money : NPR

Money makes the world go round, as they say, and this mantra is illuminated quite well in this book. The History of Money by Jack Weatherford is split into three main sections, each dealing with a different era of money. The first is the development of coinage with the standardization of weights and measures associated with getting that correct.

The History of Money (Audio Download): Amazon.co.uk: Jack

The book does lack the intellectual depth and rigour of say, fellow anthropologist Greaber's 'Debt - the first 5000 years', or economic historian Davies' 'A History of Money'. Nevertheless, if what Weatherford set out to do was write an engaging and readable history in 250 odd pages, then he has succeeded. The book is divided into three parts.
