Valentine Princess The Diaries 775

I remember reading the Princess Diaries back in 5th or 6th grade. Realising that there were more books to the series

(though only companions), I picked this up. This book is a pretty quick read at only 100 pages (give or take a few). 16 year old Mia reads a diary entry from Valentine's Day back when she was 14, and it was interesting to see how she'd matured through the years.
